RE: OUTREACH VIDEO

Dear Hamedah:

We share your elation that you have finally made it to Dublin and are in the process of settling in. From a programming standpoint, you are probably in a better place.

I am sending you the last of the photographs that were developed. Accounting tells me that a check for \$7.60 was paid on June 12, 2002, and another for \$13.30 was paid on May 10, 2002. Let me know if there are any additional funds that should have been paid to you.

I am enclosing some of the correspondence I have received regarding our video project. I hope we can complete it soon, considering that this is the third year we have been working on it. Upon release of the final product, I will send you a copy to view and use as necessary.

It was definitely a pleasure to have you on my caseload, and I want to thank you immensely for your assistance in our various projects—The Community Outreach, Video Outreach Program, Pre-Release Video Program, and your work with Melissa and Jonathan from Spine Films.

Everyone here at Geiger felt the tremendous loss upon your departure, and we hope that you will consider returning to Geiger at some point in the near future. Stay busy, continue working on your issues, keep in close touch with your girls, and time will go by pretty fast. We wish you the best.

Sincerely,

Ray D. Garcia
Case Manager
