MEMORANDUM TO Unit A Case Manager, Arinda Cooley

FROM:  Reverend Ronald Richter
Religious Services Supervisor

SUBJECT: Letter of Commendation for
Inmate Hasan #13847-047

Hameda Hasan is an active participant in the Islamic religious community at FCI Dublin. Ms. Hasan has shown a willingness to grow and live the religion of Islam since her arrival November 23, 1993. She has used her incarceration to focus on the qualities needed to improve herself and is working towards them. She participates in Arabic classes and study groups to enhance her Islamic knowledge.

Hameda's demeanor and behavior exemplify her religious convictions, and she is a fine model among her peers. Ms. Hasan is always ready to help whenever called upon. Her clerical expertise and knowledge of the Islamic faith has assisted Chapel Clerks on many occasions. She has volunteered her time to organize Islamic literature in the Chapel to be used by everyone.

I have personally witnessed her spiritual growth and maturity here. She not only stays actively involved in Islamic affairs, but has sought to improve herself in other areas, such as Parenting classes and taking advantage of other educational opportunities.

I believe Ms. Hasan will be a valuable asset to her family and the community upon release.

With your approval, please allow the inmate to receive a copy of this commendation.
